[Bonus track]

Sweden, mighty Sweden
The time has come for war
We must purify this land
These plains of forgotten glory

We must Unite!

Upon the mountains we shall stand
Guarding what must be ours alone again
Exterminate those who oppose us one by one
This is our land which must be purified

Purify Sweden!
Destroy all which is dedicated to god
Purify Sweden!
All fucking mosques must burn
Purify Sweden!
Molest all islamic believers
Purify Sweden!
Apostolic fathers must die

[Solo: Fredrik]

Fearless we stand amongst those we hate
Proud we?ll stand as we walk our land alone again
Buddha, allah and jesus fucking christ-the whore!
Must be erased from the memories of every Swedish
born

We must Unite!

So hear us now-swear allegiance in the name of all
Swedishness
Under the banner of the land of Sweden you all must
fight or die
Let your hate rise with fury, let your fury show you the
way
Guard and cleanse our land which must be ours alone
again

Purify Sweden!
Destroy all which is dedicated to god
Purify Sweden!
All fucking mosques must burn
Purify Sweden!
Molest all islamic believers
Purify Sweden!
Apostolic fathers must die

Let the cleansing begin!!!
