We'll break down, your front door,
and take you from your children.

Rape camp! Rape camp! Rape camp!
You're welcome inside our...
Rape camp! Rape camp! Rape camp!

Rape camp! Rape camp! Rape camp!
Your body is abused inside the...
Rape camp! Rape camp! Rape camp!
You're nothing but a slut inside our rape camp!

Just one of many victims of hate...
We'll whore out your fucking race.
