Into the fires of Orodruin  
The One must be cast;  
This the price, that must be paid,  
Only thus its power will be undone,  
Only thus, a great evil, unmade.

There is no other choice  
There is no other way.  
One of you must take it,  
One of you must pay.

Mi naurath Orodruin  
Boe hedi i Vin  
Han i vangad i moe ben bango  
Sin eriol natha tŕ in Őgarnen  
Sin eriol Őm beleg Őgannen

Őš cilith 'war.  
Őš men 'war.  
Boe min mebi.  
Boe min bango.
