I can't wait 'til you get home just can't wait 'til you get home

I can just hear it, yeah somebody, somebody,  
somebody calling me

Be my lady, I can just hear it

Somebody, somebody, somebody calling me be my lady

Yo, I seen you eat classy in the block  
In your silver 320 no ten, flashing to the world  
You got a few pennies with an S class face  
And a slight beige complexion

Givin' me memories of you and me sexin'  
So I stepped in less than a minute or so  
I saw your eyes on my six yo, get in we go  
Her shit is good yeah I know

Because I hit it before but it's the warmth  
That's got me still feelin' this ho  
I'm offer her the world and ya still politely tellin' me,  
'No'  
You cuttin' it short said you didn't like me sellin' that  
blow

I only do what I know these streets raised me  
Pays me put you in my life it's all gravy  
Maybe a trip to the Allen's' while in the sun  
And you ask, "Why should I? You be smilin' for one"  
I gets the job done in more ways than one  
Grow old and maybe raise a son so, let me know, huh?

What's it gonna take to get next to you?  
Tell you some good shit and have sex with you  
Sure you wanna know about me Shady  
And I'd love it if you'd be my lady

What's it gonna take to get next to you?  
Tell you some good shit and have sex with you  
Sure you wanna know about me Shady  
And I'd love it if you'd be my lady

Shorty, I remember back when I seen you with your crew  
And they was hatin' cottonblock 'cuz they knew I wanted you  
They would tell you that I dog girls and all the shit  
And you was just another chick I wanted to hit

And it was true I ran through many thinkin' love any  
And the thug in me dog many  
But now I see my playin' days is over  
I'd like to take this time out

To finally get to know ya  
A lot of things I wanna show ya  
You say you're not impressed with my money and fame  
And it's crazy how you say I make my money in vain

'Cuz I talk about guns and drugs hoes and thugs  
Don't ya know that your music shows no love?  
But I rap what I see  
But is this whole tree the clown cat that you see

And the ka-chap in me?  
We can sit in the six and make plans  
And talk about the steps I gotta take  
Honey, to be your man c'mon

What's it gonna take to get next to you?  
Tell you some good shit and have sex with you  
Sure you wanna know about me Shady  
And I'd love it if you'd be my lady

What's it gonna take to get next to you?  
Tell you some good shit and have sex with you  
Sure you wanna know about me Shady  
And I'd love it and I'd love it if you'd be my lady

C'mon, babe, c'mon, baby  
I said c'mon, girl be my lady  
C'mon, babe, c'mon, baby  
I said c'mon, girl be my lady

C'mon, babe, c'mon, baby  
I said c'mon, girl  
C'mon, babe, c'mon, baby  
I said c'mon, girl

So So Def JE, So So Def JE  
So So Def JE, So So Def JE JE  
So So Def, So So Def
