What, yo yo yo yo  
I'm broken down from keys to Oz's to grams  
And being sold in city blocks moving hand to hand  
Who am I?  
You can find me on a corner of your block  
And I'm boning powder forming transform into a rock  
Who am I?

I suck the life out of a nigga put your dick in the sand  
I'm transported through borders for grams  
So who am I?  
Small and white like shining so bright  
Might take your son's life in the middle of the night  
Who am I?

Chopped down a hundred packs for hundred stacks  
And I'm sold through a hole through the wall, I'm  
controlling you all  
So who am I?  
My pipe game is wicked  
And an hour get you by and it can be kinda fitted  
Who am I?

I might last for five minutes, but that's all right  
Because that 25 Mitch will get you high all night  
So who am I?  
I'm born to kill blacks  
And I'm made in the U.S. I'm known as crack

So who am I?  
Very small, and I stashed in walls  
(Who am I?)  
I get you high and I'm smoked in halls  
(Who am I?)  
You must come if hear me call

So who am I?  
I'm kinda wild, I do a killing with a smile  
(Who am I?)  
I move in file when you hear me go blau  
(Who am I?)  
I'm Teflon so how you like me now?

So who am I?

Yo, I travel at the speed of light and it ain't right  
And I quick to run up and take your life in the night  
I hang with cops and thugs and they call me slugs  
Just like Christmas I light shit up

I got cousins and clips  
That hang around bloods and crips  
Mostly found around your drugs and whips  
Find me in a artery

Somewhere in your body  
While your lying there leaking  
Looking at Lord saying, "Soddy"  
I was shot at the best

(Fly)  
Hit many vests  
But 9 out of 10 I pierce through many chests  
Colorblind, hell if I'm not like fuck it  
Kids and ladies and even babies kick the bucket

S'more like a rich bitch in the store shopping  
Seven I pop, there'll be a lotta niggas dropping  
Majority, minority die when I fuck  
But I mean I'm just a bullet and I don't give a fuck

I'm kinda wild, I do a killing with a smile  
(Who am I?)  
I move in file when you hear me go blau  
(Who am I?)  
I'm Teflon so how you like me now?  
Who am I?

Unseen and I'm quick to do a killing  
(Who am I?)  
I move fast and I laugh at penicillin'  
(Who am I?)  
The type of nigga that'd make ya die  
So who am I?

You can find me in your body if you don't use  
protection  
It's fifty cent all your fucking life learn a lesson  
I'm small but deadly, break a nigga down  
I know you heard my name 'cause nigga I get around

Now I pray on the ones who lust for sex and drugs  
Shooting out dicks and needles polluting your blood  
When I see you, and I see you

Corrupt and I'm up and who you fucking, who she  
fucking

Yo, I'm the biggest nigga on your block  
And I kill more niggas than your glock, like or not  
I'm outta control, pull your body outta your soul  
Than I laugh as I watch your family watch you fold

Now you can catch me but can't kill me  
Try to scare but you can't feel me  
Mothafuckers just don't hear me in the year 2010  
Probably be the end, I just spread around the world and  
I do it again

Unseen and I'm quick to do a killing  
(Who am I?)  
I move fast and I laugh at penicillin'  
(Who am I?)  
The type of nigga that'd make ya die  
So who am I?  
What, what
