

Lord Toph "Finger"

Visit "[Finger](#)" on MotoLyrics.com

My finger beckons yov
And yov always seem to come
Yov're wild and wily
Bvt my hvnger's left vndone
What am I saying
What am I doing
How do I solve this
Oh I feel rvined
'Cavse when yov're gone
I'm hvngry
'Cause when yov're gone
I need yov
Like my finger needs yov too
Like my finger needs yov too
Yovr hands are tovching
When yov're alone what shovld yov do
Don't think yov don't feel me
'Cavse I'm deep inside of yov
I'm yovr finger when yov're cold
I'm yovr finger when yov moan
I'm yovr finger when I'm sold
I'm yovr finger when yov're old
I'm yovr finger
Finger
What am I saying
What am I doing
When yov're alone why
Shovld yov feel rvined
I'm yovr finger when yov're cold
I'm yovr finger when yov moan
I'm yovr finger
Finger
What am I saying
What are yov doing
Why don't yov open yovr eyes and rvin
All those fantasies yov've had
Let that finger be the last
Thing yov need
Yov need me
Not yovr finger
Not yovr finger
Yov need me

And my finger
My finger
