No way

No class, no job
I'm just a victim of society, a slob
No ass, no head
Gotta go home and jack off instead

No mind, no kind
My brain is jelly and my memory is blind
No way, no way
Cannot live in a world this gay

No way, no way

No class, no job
I'm just a victim of society, a slob
No ass, no head
Gotta go home and jack off instead

No mind, no kind
My brain is jelly and my memory is blind
No way, no way
Cannot live in a world this gay

No way, no way

No way, no way
No way, no way
No way, no way
No way, no way
