Rip it up

Like Clockwork Orange a bit of twenty on one
Breakin' heads don't sound like much fun
Is that your only way of gettin', of gettin' kicks
By breakin' heads you know you can't

Do you think you're tough
'Cause you rip it up
Gotta rip you up, gotta rip it up
Gotta rip it up, gotta rip it up

Had enough of vi-violence
Just to kill boredom makes no sense
We're not the background for your stupid fights
Get out of the darkness, time to unite

Do you think you're tough
'Cause you rip it up
Gotta rip it up, gotta rip it up
Gotta rip it up, gotta rip it up

Rip it up
He's gotta rip it up
He's gotta rip it up
He's gotta rip it up

He's gotta rip it up
He's gotta rip it up
He's gotta rip it up

Rip it up
