i dont know how many licks
it takes to get to the center of a tootsie roll
(center of a tootsie roll)
and i dont know where balloon goes
when a child slips off and lets it go
(slips off and lets it go)
i dont know why the good die young
and winter days live forever(live forever) *
and i dont know why we take it for granted
when others are in need of shelter
(need of shelter)

and girl i dont know how (dont know how)
how i found this love (found this love)
girl i pray we have this forever
through the bad times we'll be together
and girl i dont know how (dont know how)
how i gained your trust (gained your trust)
id probably never know everything
but its one thing im sure of

oh baby ill be kissing you
my baby (baby) ill be loving you
like crazy (crazy) through rain or sunshine
(through rain or sunshine)
thats what im sure of (im sure of)
my minds made up so theres no maybes (no maybes)
im so glad to call you my baby (my baby)
love and tears will come **
thats what im sure of
if your sure say woah woahh woah
woahh woahh woahh
hear you say woahh woahh
(sure of) woahh woahh
if thats something youre sure of

i dont know what its gonna take
to have all the soldiers come home
(soldiers come home)
i dont know how many murders itll take
to leave all the girls alone
(leave the girls alone)

I dont know if i will ever see a car that really flys
And i dont know the date for the end of time
(the end of time)

and girl i dont know how (dont know how)
how i found this love (found this love)
girl i pray we have this forever
through the bad times we'll be together
and girl i dont know how (dont know how)
how i gained your trust (gained your trust)
id probably never know everything
but its one thing im sure of

oh baby ill be kissing you
my baby (baby) ill be loving you (loving you)
like crazy through rain or sunshine
(through rain or sunshine)
thats what im sure of (im sure of)
and my minds made up so theres no maybes (no
maybes)
im so glad to call you my baby (my baby)
love and tears will come **
thats what im sure of
if your sure say woah woahh woah
hear you say woahh woahh woahh
baby say woahh woahh
if thats something youre sure of

i dont know everything (everything)
but i know what i need (know what i need)
And i know you got all my (all my)
soul and all my trust
and even if i dont know everything
one thing im sure of

ill be kissing you
my baby (baby) ill be loving you
like crazy through rain or sunshine
(through rain or sunshine)
thats what im sure of (im sure of)
my minds made up so theres no maybes
im so glad to call you my baby (my baby)
love and tears will come **
thats what im sure of
if your sure say woah woahh woah
woahh woahh woahh
hear you say sayy woahh woahh
woahh woahh
if thats something youre sure of
