Feel so good, you got me  
Baby I don't wanna leave, no

Hey girl, I can't get enough of your loving  
If I had my way we'd be touching

Touching in the morning, touching in the evening  
Touching through the week day,  
Touching every weekend  
Dreams of your perfume and that lipstick  
Come over and now where we gonn get  
Get it in the bedroom, gonn get it in the kitchen  
Get it in the hallway, got me reminiscing  
Girl I know, girl I know, girl I know  
That I said I was unpredictable  
You put it on me and you stole the show  
And now I'm fiending for some more  
Cause it feels so good to me, got me saying I'll never  
leave  
Said it feels so good to me, so good to me  
So if I ever leave, it won't be no to love

[Chorus]

Cause you got that come back,  
Baby you got that come back  
Girl I can't get enough of your love  
Cause I fiend everyday for your touch  
I want love  
Cause you got that come back,  
Baby you got that come back  
And it feels so good, you get me  
Telling I don't wanna leave

And I keep replaying, scenes up in my head  
Let's rewind the scenes up in my bed  
Scenes in the morning, secenes in evening  
Scenes through the week days,  
Scenes all the weekend  
And everytime it feels like my birthday  
Cause everytime you taste like birthday cake  
Kiss you in the bedroom, kiss you in the kitchen

Kiss you in the hallway, got me reminiscing  
Girl I know, girl I know, girl I know  
That I said I was unpredictable  
You put it on me and you stole the show  
And now I'm fiending for some more  
Cause it feels so good to me, got me saying I'll never  
leave  
Said it feels so good to me, so good to me  
So if I ever leave, it won't be no to love

[Chorus] x 2

Cause you got that come back,  
Baby you got that come back  
Girl I can't get enough of your love  
Cause I fiend everyday for your touch  
I want love  
Cause you got that come back,  
Baby you got that come back  
And it feels so good, you get me  
Telling I don't wanna leave.
