I want you to give me a show
I'll give you a show, I'll give you a show
Show me your pussy, show me your pussy
Show it to me, show, show it to me
She's an acid queen if you know what I mean
Okay bitch, now I want you to go down on your hands
and knees
Come on, on your hands and knees,
On your hands and knees, on your hands and knees
I want it
You want what?
(x2)
I want your cock, I want your cock (censored)
She's an acid queen if you know what I mean
Aahaa, ooh that's nice, ahaa ooh that's nice
Ready, ready, take it, aah, take it, aah, take it, aah,
take it, aah
She's an acid queen if you know what I mean
She's an acid queen if you know what I mean
