Biomechanic man

You need some lovin' o' monster maniac style and
fashion
And I'm a device of horny steel
You need to believe in the dirty lovin' o' lusty passion
You need a spin in the torture wheel

I say, yeah, now who could put it there
Now who could really care
I hear the call yeah, I can
Biomechanic man
Biomechanic man

You need to be on a roll and make a show of money
You need to get the healer here
You gotta know when it's bad, it's gonna be funny
You gotta get in the cyber-feel

I say, yeah, need to know when and were
Now who could make you fear
I hear the call yeah, I am
Biomechanic man
Biomechanic man

Biomechanic
Biomechanic
Biomechanic man

I'm all man and all machine a little sicko, little mean
I rock your brains out and you're sure to be damned
I lick your little finger then I chew up your hand
For that's who I am
The Biomechanic man

Now who could make you fear
I hear the call yeah, I am
Biomechanic
Biomechanic man

I am Biomechanic man
Biomechanic man

Biomechanic man
Biomechanic man
Biomechanic man
