Hello I am me, who the hell are you?  
I bring the word from the dead  
This is the day they shall re-animate  
And I get their claws on your necks  
A pack of raging wolves are howling  
Awaken from their sleep of sin  
Hail to the creeps  
Thunder unleashed  
No beast's so fierce  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
The rancorous return from their graves  
Won't you  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
Behold your town will burn  
As the raging hounds return  
The rampant helldogs rampaging near  
The unholy proliferates  
They taste your blood and they smell your fear  
On your mark, get set, decapitate!  
A pack of raging wolves are howling  
Awaken from their sleep of sin  
Hail to the creeps  
Thunder unleashed  
No beast's so fierce  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
The rancorous return from their graves  
Won't you  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
Behold your town will burn  
As the raging hounds  
Ominious haze  
Dispersing by the moonlights order  
They got their prey  
They're gone with your daughters

Claimed their souls  
Turned them into martyrs  
They will burn  
As the hounds return  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
The rancorous return from their graves  
Won't you  
Bring it on, bring it on big time  
Bring it on, bring it on down  
Bring it on  
Behold your town will burn  
As the raging hounds return  
As the raging hounds return
