Somebody's running after you
There are times I do the same
But I cannot stand the way you live
I cannot simply follow sweet
My mind is drowned in a sea of thoughts, my heart is
bleeding
My mind is black I need no more, oh sister release me
And I always love what others hate - but I never give up
faith
Out in their world I feel insane - at her eyes I'm dying to
stare
And I always love what others hate - but I never give up
faith
Give me a hug please do it now, sister never, never,
never, never let me down
How much I adored your inviting eyes
How much I hated to see you cry
Your love I wanted once not now
Feeling strange enough you cannot understand
