Dynamite tonite

She's so cold
Keeps her distance, icy queen
I've been told
She's so tense has always been

She'll need some warmin' up
And I'll bring in the heat
My glances burnin' hot
Melt her, melt her meat

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight

Who comes out as the winner
When she starts to play the game
After the 2nd half
She will never be the same

She'll need some warmin' up
And I'll bring in the heat
My glances burnin' hot
Melt her, melt her meat

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight
Dynamite tonight

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight

Gimme, gimme fuel for my fire
Just a little spark of desire
For her delight
I'll serve dynamite tonight
Dynamite tonight
