Even in a dream  
You won't ever be safe  
From your past mistakes  
On the naked rage

In your mind  
They're just one step behind  
They'll drag you deeper in  
To meet your sins

You're down there all alone  
They'll never let you go, no no

Forsaken fashion dolls  
Will follow you forever  
White eyes of sheer despite  
Will dog you 'till you die

Forsaken fashion dolls  
You're meant to be together  
Just cry your silent scream tonight

Lock you tight  
Bury you alive  
Eat you up inside  
Feel your soul decline

But outta sight does not mean  
It's outta mind  
They watch you suffer in you plight  
So goddamn satisfied

You're down there all alone  
They'll never let you go, no no

Forsaken fashion dolls  
Will follow you forever  
White eyes of sheer despite  
Will dog you 'till you die

Forsaken fashion dolls  
You're meant to be together

Just cry your silent scream tonight

Forsaken fashion dolls  
Will follow you forever  
White eyes of sheer despite  
Will dog you 'till you die

Forsaken fashion dolls  
You're meant to be together  
Just cry your silent scream tonight

Forsaken fashion dolls  
Will follow you forever  
White eyes of sheer despite  
Will dog you 'till you die

Forsaken fashion dolls  
You're meant to be together  
Just cry your silent scream tonight  
Tonight
