Beat the toms,  
Be the fox on the kit.  
The Queen of shock,  
With black tape on your tits.  
Pulling teeth,  
Got a bass, make it scream!  
Tight blue jeans,  
Packed with TNT.

They will just be an ember,  
Yet your flame's burning high.  
They will not be remembered,  
Yet your sound is alive.

Give your life for Rock and Roll.  
Your soul shall live on.  
Give your life for Rock and Roll.  
You'll never be gone.

Crank up your flying v,  
With the white polka dots.  
Tragedy,  
You're the diamond, red hot.  
Under the gun,  
You got Animalized.  
Wild and the young,  
With pride wearing stripes.

They will just be an ember,  
Yet your flame's burning high.  
They will not be remembered,  
Yet your sound is alive.

Give your life for Rock and Roll.  
Your soul shall live on.  
Give your life for Rock and Roll.  
You'll never be gone.  
You'll never be gone!

Tough you may die we still live in your presence,  
Our lives change while yours does not end.

From the realm of the darkness,  
You bid us hear you,  
That we may praise you,  
Forever and ever.

Give your life for Rock and Roll.  
Your soul shall live on.  
Give your life for Rock and Roll.  
You'll never be gone. (2x)

You'll never be gone!
