I can't hear,
What people say,
How could I have lost my way,
Too much noise,
In my head,
My family wishes,
I was dead!

You can't tell me what to do,
But I don't know, do I know you?
I can't see anyone I know,
Now what's going on?

Everything is so wrong,
So everything's gotta go,
Tomorrow can wait, today I'm losing control,
By hook or by crook I'll make things go by the book,
I'm taking back my life today!

Granny's gone crazy,
She's out tonight,
Granny's gone crazy,
Get out of the line!
Granny's gone crazy,
She's a fright,
Granny's out for blood!

Young lives by my side,
Keep me awake and sleep at night,
It's all porn on TV,
The whole world's gotten too obscene,
Little girls dressing up like whores,
Mothers too fat to fit out the door,
Grown men dressing up like girls,
This is not my world!
Everything is so wrong,
So everything's gotta go,
Tomorrow can wait, today I'm losing control,
By hook or by crook I'll make things go by the book,
I'm taking back my life today!

Granny's gone crazy,

She's out tonight,
Granny's gone crazy,
Get out of the line!
Granny's gone crazy,
She's a fright,
Granny's out for blood!

Daddy, is granny doing alright?
Sure honey, why do you even ask?
I think she's acting REALLY weird!
Haha! No honey, your granny's just fine.

Granny's gone crazy,
She's out tonight,
Granny's gone crazy,
Get out of the line!
Granny's gone crazy,
She's a fright,
Granny's out for blood!

Granny's gone crazy,
She's out tonight,
Granny's gone crazy,
Get out of the line!
Granny's gone crazy,
She's a fright,
Granny's out for blood!
