At 3 a.m I looked out the window
Foreboding figures called me outside
Their grumbling sounded distant and hollow
Eerie, empty stares in dead eyes

Ooh, now who woke up the dead?
Ooh.....

Evil's pouring down
On this haunted town
There's no way around
Tonight all hell abounds
Haunted town.

In the morning I was reading the paper
The obituaries
Seemed a bit strange

I searched the old graveyard

For an answer
In the mossy headstones
I found my name

Ooh, I walk among the dead
Ooh yeah...

Evil's pouring down
On this haunted town
There's no way around
Tonight all hell abounds
Haunted town..

I'm haunting
Ooh God I'm loving it
You bet..

Evil's pouring down
On this haunted town
There's no way around
Tonight all hell abounds
Haunted town. 2X
