(Bator/James)

Well come on. Now we were stranded in the jungle
looking for some

Rock And Roll. Like Vietnamise babies on a food patrol.
Well

Babylon's kids were just out lookin' for a kiss. When
mystery girls

Took the stage give 'em a great big kiss. Well hey jet
Boys where ya goin'? Wat'cha doin'? What is da mattah
wit 'cho?

Well a lonely planet boy shared a dream with
Frankenstein. With

Ricky corvette and a puss-in-boots to keep the time.
Then come

London pills, Billy splits the scene. And a bad detective
got

Niggid right from the queen. Well hey trash boys
wat'cha wearin'?

Wit people starin'? What is da mattah wit'cho? Well they
"smacked" the world like a human being subway train.
Personality

Crisis brought a whole down again. Chatterbox don't
you

Start me talking 'bout no dirty arm. Hey bad girls it's
too

Late to repair the harm. Well hey boys where ya goin'?
Wat'cha

Doin'? What is da mattah wit'cho?

Well when Li'l Boys Play With Dolls they gonna show
them all.

But when li'l boys played with dolls they really showed
them all.

L'il boys playin', Li'l Boys Play With Dolls. Don't mess
with cupid.

Shatter the dreams of all. Why do li'l boys stop being li'l
boys

Who play with dolls? Hey wat'sa mattah wit'cho? Private
world..

Wat'cha gonna do? You best believe I'm in love too, L-
U-V

LUV....too much. Too soon.
