You were about eleven,
when your sister pissed you off,
you chopped off her finger,
and ate it in a hot dog,
you just smiled, and shook your head,
the next time she know she'll be dead,
You seem mild, no one knows,
till you explode!

You're loud and loaded!
You're Rock'n'Roll!
Like nitro on fire!
You're loud and loaded!
You're Rock'n'Roll!
Like a high tension wire
(Watch! Out!)
Loud and loaded!
(Watch! Out!)
Loud and loaded!

25 December,
and your brother's baby cried,
threw it out the window,
just to see if it could fly!
Mom and dad were kinda sad,
they nagged you until you got mad,
they never learn, so you lit the match,
and watched them burn!

You're loud and loaded!

You're Rock'n'Roll!
Like nitro on fire!
You're loud and loaded!
You're Rock'n'Roll!
Like a high tension wire
You're loud and loaded!
You're Rock'n'Roll!
Like nitro on fire!
You're loud and loaded!
You're Rock'n'Roll!
Like a High tension wire
