Take a step back, don't look her straight in the eye  
Beware what you're saying  
You're like a frog on the road, you know you're bound  
to die  
Studded tires are flaying

You tried it with a knife and rope  
You tried it with some poison and dynamite  
You tried it by cutting the wires with a can of gas and  
fire  
You're so out of your league

She wears man skin boots  
And she's not gonna please you  
No, she's not gonna tease you  
She's the queen bee, baby

Man skin boots  
You're a bug to a spider  
She's a shark, you're a slider  
She's the beastess lady

Man, she's walking  
Skin, she's walking  
Boots, she's walking in man skin boots  
Man, she's walking  
Skin, she's walking  
Boots

You brought it on you, yeah you should be afraid  
No one gets under her radar  
She'll be vicious and cruel, you're under her blade  
Now say hello to Miss Crowbar

You tried it with a knife and rope  
You tried it with some poison and dynamite  
You tried it by cutting the wires with a can of gas and  
fire  
You're so out of your league

She wears man skin boots  
And she's not gonna please you

No, she's not gonna tease you  
She's the queen bee, baby

Man skin boots  
You're a bug to a spider  
She's a shark, you're a slider  
She's the beastess lady

Man, she's walking  
Skin, she's walking  
Boots, she's walking in man skin boots  
Man, she's walking  
Skin, she's walking  
Boots

One true alpha female puts you on the level  
Messing with this broad is messing with the devil  
She will make sure her lesson you will learn  
Once you cross her you will never return

Man skin boots  
She's wearing man skin boots

She wears man skin boots  
And she's not gonna please you  
No, she's not gonna tease you  
She's the queen bee, baby

Man skin boots  
You're a bug to a spider  
She's a shark, you're a slider  
She's the beastess lady

Man skin boots  
And she's not gonna please you  
No, she's not gonna tease you  
She's the queen bee, baby

Man skin boots  
You're a bug to a spider  
She's a shark, you're a slider  
She's the beastess lady

Man, she's walking  
Skin, she's walking  
Boots, she's walking in man skin boots  
Man, she's walking  
Skin, she's walking  
Boots, she's walking in man skin boots

Man, she's walking

Skin, she's walking  
Boots, she's walking in man skin boots  
Man, she's walking  
Skin, she's walking  
Boots
