(Bator/James)

When the heroes have all died away. Priests and politicians

Have all lied away now. Actors after all were only acting.

Church killed knowledge. Took the world a slave. Ya gotta walk

It man just like ya talk it. Wear the uniform of your gang.

Purpose in life's just for living. Dream merchants fantasy

Surreal so real. Divide and conquer - that's their game.

Beneath their haircut and clothes we're really all the same.

They threaten our lives with nuclear war. Gonna crucify us

Just once more. Join the new church. Be a lord of the new church hey.

Truth can't be found on the television. Throwaway youth

Ya gotta take a stand. Music is your only weapon.

Spanners

In the works go start your gang.....

New church. Join the New Church. Be a Lord Of The New Church.

Lords Of The New Church - now.
