Fingerlickin' Good  
If it's loving you want  
I got the thing that you need  
If it's love you want to get boy  
I'm gonna mess up your head  
I'm in the mood, I'm in the mood  
I'm in the mood for something sexy from you baby  
I'm in the mood, I'm in the mood  
I want to hear you talk dirty to me baby  
Abso-fucking-lutely mind blowing  
Super sexy so delicious  
Fingerlickin' Good  
(x2)  
Whisper things in my ear  
Say what I want to hear  
Don't be shy, let it out  
Baby, that's what I'm all about  
I'm in the mood, I'm in the mood  
I'm in the mood for something sexy from you baby  
I'm in the mood, I'm in the mood  
I want to hear you talk dirty to me baby  
Abso-fucking-lutely mind blowing  
Super sexy so delicious  
Fingerlickin' Good  
(x6)
