Hey motherfucker, are you jerking off again
You horny little bastard can't do anything right
You can't fuck, you can't suck, let me beat that dick
You see, you gotta do it faster, faster, faster, faster

Hey, baby make me wet. Please tie me to your bed
Whip my body, make me sweat, whip my body make
me sweat
Hey baby make me wet

Suck me loud and suck me long, baby's gonna make
me come
Make me scream and make me shout, let your tongue
go in and out
On the table, on the floor, baby make me beg for more
On the backseat of the car, baby's gonna drive me far

Hey baby make me wet.....

Eat that pussy, chew it up. Come on baby make me
drop
From the bed onto the floor, give me what I'm asking
for
Jump my body through the night, baby takes me for a
ride
Put me on your burning spear, drink my juices like a
beer

Give me all the fun you got, do it 'cause I'm sweet and
hot
Fuck me like I know you can baby show me you're a
man
Lick me up and try me down, fingers going round and
round
Carress my boobs and lick my feet baby take away the
heat

Hey baby make me wet
