[Dingo cover]

[Verse 1]

See how the day dies with the sunset
It touches your hair and it paints it blood red
Please don't you leave me I begged and I prayed
You stole my heart and you left me anyway

Your eyes milky white they shine in the night
I laid my head gently down by your side
I dare not to breathe, oh no I won't make a sound
Your stench intoxicates me 'till my mind spins round
and round

[Chorus:]

I found a house that's foretold of abandoned in the
woods
And it's shaking me down to my core
You'll come life as we go there, you might not be so
good
But I miss you so much I don't care anymore

I found a house that's foretold of abandoned in the
woods
You come to life as we go there, you might not be so
good

[Verse 2]

I had you piggyback, carried you inside
You laughed like something evil as the house give you
life
With graveside flowers you made a crown for me
I feel like a junkie, I breathe you in deep

A madman's inventions eternity
I was sheltered by my belief you'd always be with me
Now you're so vicious you'd gouge out my eyes
The crown made of flowers will wither, grey and die

[Chorus x3]
