Would you be so satisfied  
if I told you lies  
Would it make it right

No, I won't justify  
Your masquerade - like cries  
I know it will go by

[Chorus 1]  
There is no soul  
No soul could chain mine  
and call it it's own

I'll be your  
[Chorus 2]  
Reason to loathe-shoot you futile bolt  
Don't push it, I know you know you're  
Held by the cold - Do what you are told  
The icon of dominance

Distort it all you can  
Your full-blown masterplan  
Will get you in a jam

When cheers form into jeers  
Despair is drawin' near  
Glances grow to become  
the weapons of fear

[Chorus 1]

I'll be your  
[Chorus 2]

Can't you see me  
Can't you see me stalking  
Day - dream escape - Surreal haze  
Distort it all you can  
There is no soul  
No soul could ever make me it's own

I'll be your  
[Chorus 2 x2]
