Would you love a monsterman
Could you understand beauty of the beast

Fire at will - Yeah I would kill
Yeah I would freeze all hell over just to get a chill
Yeah I would slay - Yeah I would maim
Yeah I would vanish in thin air and reappear again
Rewriting this question, to be sincere
Yeah I would lie, Yeah I would lie
Yeah I would be there waking up the dead to get a thrill
Why say yeah - Why say yeah

Would you love a monsterman
Could you understand beauty of the beast
I would do it all for you,
Would you do it all,
Do it all for me.

Take your time - you'll be fine
Yeah there is nothing wrong with this
You ain't committ no crime.
You don't know why we passed you by
You search for something never found
Along these lines
Someday you may turn aruond and terrify
You can't deny - You crucify
Would you get down in the gutter
Swallowing your pride
Why say yeah - Why say yeah!

Would you love a monsterman
Could you understand beauty of beast
I would do it all for you,
Would you do it all,
Do it all for me.

All that you get is much less
You deserve
Leaving for now
Someday I may return
Yeah!

[Drum & Guitar]

Would you love a monsterman
Would you love a monsterman
Could you understand beauty of beast
I would do it all for you,
Would you do it all,
Do it all for me.
Would you love a monsterman
Could you understand beauty of beast
I would do it all for you,
Would you do it all,
Do it all for Meeee - Yeah!
Hey!
