Free. Truly free. Land of the free...

What freedom is yours when you're not allowed to say:

Fuck you... Fuck you.

Motherfucking, Cocksucker,

Fuck you, Fuck you!

Repeat after me!

Praise the lords

Fuck the rest

Worship the lords

It's you they love best

Praise the lords

Fuck the rest

Worship the lords

You will be blessed

(Repeat all x1)

Praise the lords

Fuck the rest

Worship the lords

It's you they love best

Praise the lords

Fuck the rest

Worship the lords

You will be blessed
