Oh how happy you will be once I teach you my ABC

A is for asphyxiation you won't catch your breath
B is for the blindfold that keeps you dark as death
C is for your cockroach that I squash beneath my shoe,
while I watch it wiggle and laugh at you (ha ha)
D is for my dildo that you will learn to blow
E is for your enema, I control the flow
F is for my flogger, I whip you so violent
G is for the gag in place to keep your screaming silent
H is for humiliation that you must bear
I will immobilize you in my sexual lair
J is for your jizzy, jerking tendency
K for kisses
L for love, and licks you offer me
M is for the manacles imprisoned in your feet
N is for your nelly little nimby so sweet
O is for the O-rings holding you in place
P is for the perspiration dripping down your face
Q is for the quirk I use to whip your eager ass
R is for restraints to make the magic last
S is for sweet suffering that only you will know
T is for the torment that keeps you on the go
U is for unbridled lust that only I control,
as I claim for my own your body, mind and soul
V is for the vicious urge to struggle in vain,
while I tease and tantalize you and eroticise your pain
W is where the wily woman walks
X is for excruciating X rated talk
Y is your the yo yo I yank upon your string,
watch you yell and holler with all the pleasure that it
brings
Z is for the zestfulness with which you will submit,

Now I've taught you every letter so remember all of it!

Twinkle twinkle little slut, now I spank your naughty butt
Once I've warmed it you will cry, and I'll wipe your teary
eye
Don't forget the lessons learned or your rumpsticks will
be burned.

A-B-C you and me
K-I-N-K spells S-E-X
ABC's of S-E-X
F-U-N spells K-I-N-K

Ba ba black sheep in my school,
you'll be shorn of all your wool,
a lesson in submission another in pain,
after graduation things will never be the same.
You'll become my grumbling fool,
drowning in a puddle of your own drool.

A-B-C you and me
