Do it boy
Do it boy
Do what you wanna do
Do it boy
Do it boy
Do what you wanna do
My flesh is your flesh but your tongue is mine
Use it to enter my lovehungry shrine
Rub me with honey, tasty and sweet
Dress me with passion, juices and meat

Do what you wanna do (x3) to me
Do what you wanna do (x3) to me

You're sexy, so full of lust
Touch me here, oh yeah you must
Feel my body it's just for you
Now do it boy, do what you wanna do

Creature of pleasure more is my name
Your mouth is a teaser it drives me insane
Bite me to hurt me do as you please
When you feel me coming you stop yeah you tease

Oh baby, you do it right
I'm longing to feel your bite
I'm crazy but I want you
So do it boy, do what you wanna do

Beat me and eat me, I'm drowning in sweat
I'm on my way yes I'm soaking wet
Thunder and lightning explode in my brain
This is the balance 'tween pleasure and pain

Do what you wanna do (x3) to me
Do what you wanna do (x3) to me

You make me come and you make me scream
You found your way in my dirty dream
I'm your slave oh yes it's true
But what you do I can do too

Do what you wanna do (x3) to me
Do what you wanna do (x3) to me
