Every time I get naked  
My doggie sees it all  
He always gets excited  
[cause his worm is squeaky dog]  
He's a horny little bastard  
[it's true that ... is gone? ]  
I rub myself with candy  
I'm gonna lure him with the bone

Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
You make me come, tom

When I take him walking  
With his studded jacket on  
He's a macho little puppy  
He's headed for a job well done  
Don't care much for bitches  
They ain't his cup of tea  
He loves his little pussycat  
And his pussycat is me

Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom

You make me come, tom

Say, tommy  
Oh, tommy baby  
Does your mother know what you're up to  
Does your mother know  
Ooh, tommy, tommy, tommy

What we have is something special  
I'm watching you watching me  
Tommy, you suck  
(hahaha)

He's always feeling kinky  
He loves to play these games  
And someday he's my doggy  
And one day he's my [pain]  
I'm willing and I'm able  
To turn my baby on  
As long as he feels happy  
He can be whatever he wants

Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
Got a bone for a job well done  
Tom, tom, doggy tom  
You make me come, tom  
(x2)
