Let me be the one to love you baby  
Cause I know just what you need  
And there's no way, no way I'm gonna let you go now  
Come on and hold me in your arms, baby  
I know what you need, and I need you  
Give me what I'm asking for  
I love the things you do  
Oh, I feel so alive (x2)  
Slide on down beside me baby  
I wanna feel your ecstasy, oh  
And noone or nothing can ever tear us apart  
Cause right now I wanna feel your love in me

Put your hands on me, and don't let go  
I'll do anything no one did before  
Oh, I feel so alive, with ya baby, with ya baby  
Oh, I feel so alive, oh,  
Oh, I feel so alive, oh,  
Oh, I feel so alive, alive, alive, oh
