Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Ahhh!
Come give me love
Harder, harder!
Come give me love
Mucho macho love!

Harder, harder, uh!
So fantastic, so elastic
My eleven inch piece of plastic
Always there to perform
You better heat me up with your electric stun!
Love creator, masturbator
Shiny G spot, manipulator
Rabbit ears between my thighs
Your vibrations are so sublime!

Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Ahhh!
Come give me love
Harder, harder!

Come give me love
Mucho macho love!

Harder, harder, uh!
So fantastic, so elastic
My eleven inch piece of plastic
You might say that I'm a freak
You better call me sex toy, geek!
Demonstrator, stimulator,
Kinky pussy, investigator!
All these thoughts between the sheets
And you're always there when I'm in need!

Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Mucho macho love!
Come give me love
Harder, harder!
Come give me love
Ahhh!
Come give me love
Harder, harder!
Come give me love
Mucho macho love!

Little mighty rabbit
Hey, hey, hey
Little mighty rabbit
Call me twice a day!
