Lover boy, kinky toy

Dirty pleasure, supernasty joy

Strap me up, Spank me up

Beat me up, Heat me up

Lover girl, tasty pearl

Come for me, you're gonna rule my world

Strap me up, Spank me up

Beat me up, Heat me up

Lover boy, bondage toy

Rubber creature, cover me with joy

Strap me up, Spank me up

Beat me up, Heat me up

Lover girl, leather world

Give me head, you really make me squirm

Strap me up, Spank me up

Beat me up, Heat me up
