Yes we're getting fuckin' high
Stoned like Lucy in the Sky
In the sky,
In the sky
Fuckin' high,
Fuckin' high
Yes we're getting fuckin' high
Stoned like Lucy in the sky
We are getting fuckin' high
Fuckin' high
Fuckin'
Fuckin'
We are getting all we need,
We are getting,
We are getting,
We are getting all we need
Loads of pills and lots of weed
It's so cloudy in our brain
Feels so good to,
Feels so good to,
It's so cloudy in our brain
Feels so good to be insane
