Hey baby
you wanna turn me on
I'm gunna tell you exactly how it is done
I need to be surprised when I'm on my knees
Come take you heavy paws spread my silky cheeks
I'm a nasty girl
I need it long and ROUGH
But most of you men don't get deep enough
Hey baby don't you worry there are other guys
That wanna do the wicked thing called doggy style

I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!
I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!

My passion for this love started early last week
When I came upon my dog bone buried in his cheek
So I asked my friend to perform the deit
To do it doggy style with his girlfriend and me
He's kinda stupid
My sexy super slut
So the crazy dumb fucker
He plugged my butt
When he pulled out he said "My dick doesn't fit"
And started to scream "My pecker smells like SHIT!"

I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!
I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!

I'm a pretty little girl and my only sin
is that normal sex just ain't my thing
So I come here today
To beg you guys
Will anybody here do me DOGGY STYLE?!?!?!

I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!
I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!
I feel so alive
I feel wet and wild
I feel so alive come take me from behind
I feel wet and wild
Wanna do it doggy style!
