You made me your servant
Your submissive slave of love
All dressed up in leather
Anxiously waiting in cuffs
Come on break me
I must worship at your feet
I want you to take me
In our dungeon we will meet

It's a lusty crime
But it feels divine
Beat me one more time
Nasty shivers run down my spine

Make me crawl on the floor - break me
Make me scream for more - take me
You rule. I adore - use me
Use me, abuse me

Make me sing with pain - brake me
Make me go insane - take me
Make me shout your name - use me
Use me, abuse me

You're my master

I'm submitting all of me
Blindfolded and naked
In my bondage I'm set free
Loving as you bind me
Waiting patiently
Praying that you'll take me
Into pain and ecstasy

It's a lusty crime
But it feels divine
Beat me one more time
Nasty shivers run down my spine

Make me crawl on the floor - break me
Make me scream for more - take me
You rule. I adore - use me

Use me, abuse me

Make me sing with pain - brake me

Make me go insane - take me

Make me shout your name - use me

Use me, abuse me
