Oh how happy you will be once I teach you my A-B-C

A is for asphyxiation, you won't catch your breath

B is for the blindfold, that keeps you dark as death

C is for your cockwich that I squash beneath my shoe

While I watch you wiggle, and I laugh at you (ha ha)

D is for my dildo that you will learn to blow

E is for your enema, I control the flow

F is for my flogger, I whip you so violent

G is for the gag in place to keep your screaming silent

H is for humiliation that you must bear

I will immobilize you in my sexual lair

J is for your jizzy, jerking tendency

K for kisses, L for love and licks you offer me

M is for the manacles imprisoning your feet

N is for your nelly little nimby so sweet

O is for the O-rings, holding you in place

P is for the perspiration dripping down your face

Q is for the quirk I use to whip your eager ass

R is for restraints, to make the magic last

S is for sweet suffering that only you will know

T is for the torment, that keeps you on the go

U is for unbridled lust that only I control

As I claim for my own your body, mind, and soul

V is for the vicious urge to struggle in vain

While I tease and tantalize you and eroticize your pain

W is where, a winding woman walks

X is for excruciating X-rated talk

Y is you the yo-yo; I yank upon your string

Watch you yell and holler from the pleasure that it
brings

Z is for the zestfulness with which you will submit

Now I've taught you every letter so remember all of it

Twinkle, twinkle little slut

Now I spank your naughty butt

Once I've warmed it you will cry
And I'll wipe your teary eye
Don't forget the lessons learned
Or your rumpsticks will be burned

F-U-N spells K-I-N-K
Bah, bah black sheep in my school
You'll be shorn of all your wool
One lesson in submission, another in pain
After graduation things will never be the same
You'll become my grovelling fool
Drowning in a puddle of your own drool
