(T. James/Chimes)

I'm on a helicopter ride through Vietnam. I'm the
Leicester Square
kid I'm superman. I'm putting weight for the Oscar. Man
gonna
get through anyway I can. Everywhere everyone is red
and green.
I gotta lust for glory and a tape machine. I'm living out
Frank
Coppola's dreams. Outta my mind I'm feelin' mean. I'm
Nuremberg
Stepper blowin' wets away. I gotta headful of Hendrix,
I'm feelin'
OK. I'm a late night thriller, I'm miss La Ray. Outta my
mind

can I come to play?
Hey hey hey we're in the movie. I feel up and I feel
groovy.
Let's go out and get some of that. Gimme gimme
gimme some Russian
Roulette. La la la.... I said hey.
