[DoItAll]

Lord Jazz hit me one time for the people

cause I bet they're not believing that you come from
Cleveland

Mix the funk with the skunk so they'll boom it in the
trunk

And play it loud as hell so they'll feel like they're drunk

Now umm back and forth forth and back

You see he always help me out when I get wreck to his
tracks

So peace to Mr. Funke, for drinking all the Monkey

And Lord Jazz, hit me one time, make it funky!

"Excuse Mr. Funke man (yes DoItAll)"

-> _Here Come the Lords_ *repeat 3X*

[Lord Jazz]

Lord Jazz the name, so watch me scratch it in your
brain

It's simple, so watch me ride these tracks like a train

I freak it with the cut, now I freak it with the rhyme

Just to let you know, I can hit you one time

With the scratch and I rap cause you know I'm all that

And those who said I couldn't, I see your hands clap

Ya heard it, my lips spits quick like Wordsworth

And I'm quick to do a DJ when he's walkin on my turf

"Lord Jazz.." "He goes by the name of" -> BizMarkie

"On two turntables I would say he's nice" -> Run-D.M.C.
