So ya can't resist me
It's no reason to have me
What caused this effect
What did I give to get this back

Ooh aah ooh aah

So I turn you on
That's no reason to lead me on
What was your intention
Love was mt perception

Ooh aah ooh aah

I will forgive I will understand
It's the only way I will move on
I will forgive it's the only way
Move on

And I will move on

So ya can't resist me
It's no reason to have me
What caused this effect
What did I give to get this back

I will forgive I will understand
It's the only way I will move on
I will forgive it's the only way

Move on

And I will move on

Swimming upstream I'm losing breath
Arms are tired I'm drowning fast
What would happen if I just let go
Would I sink or could I flow

Flow flow

I will forgive I will understand

It's the only way I will move on
I will forgive it's the only way
Move on
