CominÂ' on me , cominÂ' on you, cominÂ' on me
this heartime ,whales of love, set us free
never can tell, just as well, what will be
lovinÂ' on you, lovinÂ' on me, lovinÂ' on me

Since youÂ've come into my life
I donÂ't have no stress no strive
IÂ'm addicted
I donÂ't know what is in store
all I know is I want more
IÂ'm addicted, uhm..

Everytime I feel your touch now babe
more indicated before
IÂ'm addicted

Try to wait for the motion save me
IÂ'm going on there
IÂ'm addicted

Chorus:
E ci ritroviamo in alto mare
in alto mare
per poi lasciarsi andare
sull'onda che ti butta giÃ¹
e poi ti scaglia verso il blu
e respirare
in alto mare
come due uccelli da ammazzare
piuttosto che tornare giÃ¹
per dirsi non si vola piÃ¹, uh!

CominÂ' on me , cominÂ' on you, cominÂ' on me
this heartime ,whales of love, set us free
never can tell, just as well, what will be
lovinÂ' on you, lovinÂ' on me, lovinÂ' on me

Since the sum of me and you
is a happiness so true
and IÂ'm addicted
now I feel my soul renewed

and you please my body too
and Iâ€™m addicted, ah ah

Everytime I feel your touch now babe
more indicated before
Iâ€™m addicted

Try to wait for the motion save me
Iâ€™m going on there
so addicted

Chorus:

E ci ritroviamo in alto mare
in alto mare
per poi lasciarsi andare
sull'onda che ti butta giuÃ¹
e poi ti scaglia verso il blu
e respirare
in alto mare
come due uccelli da ammazzare
piuttosto che tornare giÃ¹
per dirsi non si vola piÃ¹, uh!

E ci ritroviamo in alto mareÂ... (repeat)

cominÂ' on me , cominÂ' on you, cominÂ' on me
this heartime ,whales of love, set us free
never can tell, just as well, what will be
lovinÂ' on you, lovinÂ' on me, lovinÂ' on me.
