Love wasn't good last time I tried
Kinda fade out, lost my vibe
I'm a trooper, I'm alright
I wanna love again, try one more time
I can do it

Be in love
Yeah, I'm gonna do it
Yeah, I'm gonna do it again
And think of what you say to me
Think of what you say to me when I'm alone
Yeah, I wanna be
Yeah, I wanna be straight front
I'mma fall in love all over
Yeah, I wanna be in love

I'mma hold my head up
I won't give in
I'mma share my all again
Love rock my world
Not afraid to fall again
I wanna love again, try one more time
I can do it

Be in love
Yeah, I'm gonna do it
Yeah, I'm gonna do it again
And think of what you say to me
Think of what you say to me when I'm alone
Yeah, I wanna be
Yeah, I wanna be straight front
I'mma fall in love all over
Yeah, I wanna be in love

He's gonna come about
He's gonna hold me down
He's gonna put me first this time around
He's gonna feel so right
I'm gonna love a guy
Who's gonna put me high
Try one more time

I'm gonna be in love

Be in love

Yeah, I'm gonna do it

Yeah, I'm gonna do it again

And think of what you say to me

Think of what you say to me when I'm alone

Yeah, I wanna be

Yeah, I wanna be straight front

I'mma fall in love all over

Yeah, I wanna be in love

Be, in love

Yeah, I'm gonna do it

Yeah, I'm gonna do it again

And think of what you say to me

Think of what you say to me when I'm alone

Yeah, I wanna be

Yeah, I wanna be straight front

I'mma fall in love all over

Yeah, I wanna be in love
