boy, you're so sexy, you think you got a made
you smile when you lie. get away from me
you're talking out two sides of your face
i'm supposed go along, not ok!

chorus:

i'm so guarded, i've been hurt, see
i'm so cold now, someone burned me
yeah, i like you, yeah you like me
but i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see
oh, you got me guarded like an army grenade
don't hurt me, i don't have what it takes
if you wonder why i'm throwing you shade
your charades!

i like models, athletes. i like rappers
i like different kinds of shades, different swaggers
oh, oh, but i can see beyond a face and a kiss
oh, if something's deeper i'm so hard i
won't miss

chorus:

i'm so guarded, i've been hurt, see
i'm so cold now, someone burned me
yeah, i like you, yeah you like me
but i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see, i can see
oh, you got me guarded like an army grenade
don't hurt me, i don't have what it takes
if you wonder why i'm throwing you shade
your charades!
don't play me. i'm not a show.
i know you did it before.
i'm not that girl.
no i'm not that broad.

yes yes get along.
respect me or get gone.
i ain't about that life dot com period
i ain't about that life dot com period

chorus:

i can see
your charades
i can see, i can see, i can see
your charades
i can see, i can see, i can see your charades
oh, you got me guarded like an army grenade
don't hurt me, i don't have what it takes
if you wonder why i'm throwing your shade
your charades!
i can see your charades
yeah, uh!
