Dear Miss Hepburn
Good afternoon
I heard that heaven has come to you
But a question
How can I be lovely as you?
I got a poster in my bedroom
And I got a little black dress too
Tell me what real ladies do?

Chorus
Excuse me Audrey how do you do it?
She told me that there was nothing to it
She said: Just let your soul shine (repeats)
Let it shine
Excuse me Audrey how do you do it?
She told me that there was nothing to it
She said: Just let your soul shine (repeats)
Let it shine

I wake up early every morning
To find my .. beautifully

So beautifully
Right on the mirror on my wall
I take a brush to my head to get
To find a brand new style for me
What makes me different from them all?

Chorus

So sad, so bad so sick on it
All I wanna know is better â€¦
Short skirts is that what they killin' it?
Is that the only reason we feelin' it?
What a shame she thinks he will gonann give in
But he only wants to get all up, dig and get rid of it
Sexy my friends only benefits
He's full of lost baby I know the sound of it

Chorus
