Lyrics to Forever Mine :

One look in your gentle eyes  
Let me know I would spend my life  
All my years in your gentle arms  
All my days with your love so warm  
One sound of your precious voice  
Let me know that I had no choice  
I knew I'd be forever yours

[Chorus:]

All of my life  
Forever mine  
Until the blue sky fades away  
All of my days  
No other way  
There are only three words I will say  
{I love you}

I love you like the king you are  
I love you like the sky loves stars  
I love you like the grass loves green  
I love you the way you love me  
Never a day I thought I'd see  
The way true love would be  
I know I'll be forever yours

[Chorus:]

All of my life  
Forever mine  
Until the blue sky fades away  
All of my days  
No other way  
There are only three words I will say  
{I love you yes I do}

I love you and I need you  
I adore you  
Your so sweet  
I'm here and you'll be there for it  
Forever you and me

[Chorus:]

All of my life  
Forever mine  
Until the blue sky fades away  
All of my days  
No other way  
There are only three words I will say  
{There are only three words I will say}

All of my life  
I will love you  
Oh I promise  
I will need you  
All of my, all of my life  
Yeah  
All of my life I will spend my life with the one  
Who I love  
I love you and I need you yes  
All of my life  
Forever mine
