Take me back in the day when loving was pure  
Love ain't going away, love is always cure  
Life's not always perfect but love's always forever  
Let's let true love connect, let's try lasting together

I'm so ready to love, I'm so ready to promise my all  
I'm so ready to give to the day that my life is no more  
I'll be everything that this woman could possibly be  
'Cause I'm ready to be like the olden days  
When commitment was golden

Be the man of my dreams and get down on one knee,  
love  
Say you'll be all I need and then ask me to marry you,  
my love  
Let's take two golden bands and let's walk down the  
isle, love  
I'll say I do and you'll say I do, may good God and  
commitment, oh

I'm so ready to love, I'm so ready to promise my all, all  
(Promise my all)  
And I'm so ready to give to the day that my life is no  
more  
(My life is no more)

I'll be everything that this woman could possibly be,  
yes, I will  
(Possibly be)  
'Cause I'm ready to be like the olden days  
When commitment was golden  
(Golden)

Let's last forever  
Now typical American, cherry love  
Let's stay together  
May God smile upon our everlasting lives

I'm so ready to love, I'm so ready to promise my all,  
yes, I am  
(Promise my all)  
I'm so ready to give to the day that my life is no more

(My life is no more)

And I'll be everything that this woman can possibly be,  
yes, I will

(Possibly be)

'Cause I'm ready to be like the olden days

When commitment was golden

(Golden)

I'm so ready to love, I'm so ready to promise my all,  
yeah, yeah

(Promise my all)

And I'm so ready to give to the day that my life is no  
more

(My life is no more)

I'ma be everything that this woman could possibly be  
(Possibly be)

'Cause I'm ready to be like the olden days

When commitment was golden

(Golden)

Golden, golden, golden, golden love

Our commitment is golden
