What a crazing hey ya hey ya
A current I'm fighting so tell ya so tell ya
Look what you've done to me
Look what you've done,
Look what you've done no no
When is nowhere to run

Chorus:

When you gonna tell me it could've been, better without
you
Are you gonna tell me it could've been better,
Better without you leaving
Come back to me, leaving, come back to me, leavin
Headed for nowhere, and you're leaving,
Headed for nowhere, and you're leaving
Headed for nowhere ah ah
Headed for nowhere ah ah

Turn gips runnin slower slower
Tie kips pulling me... slow but slow I

Look what you've done to me
Look what you've done,
Look what you've done no no
When is nowhere to run

Chorus:

When you gonna tell me it could've been, better without
you
Are you gonna tell me it could've been better,
Better without you leaving
Come back to me, leaving, come back to me, leavin
Headed for nowhere, and you're leaving,
Headed for nowhere, and you're leaving

2 x

Hands up in the air if you feel me right there
Yeah yeah yeah yeah
Hands up in the air if you feel me right there
Say yeah yeah yeah yeah

[Chorus:]

Oh oh oh oh oh oh oh oh
