Why do I wanna miss my train,
Stay in bed so late,
Every single day
Why do I feel my heart skip a beat,
Whenever your next to me,
Tell me how could this be
I don't know why I feel the way I do
I really can't explain it, but I know it's true
They say that I can have it all,
But all I want it you
I don't know why but I do,
I don't know why but I do

Why do my friends keep on questioning
Out of all the men
Why am I with him
They say that I'm just a fool in love,
But what they don't know
I'm the lucky one
If they could only see it threw my eyes,
They probably look away
Cause you shine so bright
Its hard for me to justify
What love can be defined

I don't know why but I do,
I don't know why but I do

Oh many are amazed by the way
You know just what to say
Every time you look at me that way
Or touch my face
Or call my name
I can't help myself
I never fell under a spell
Oh I never felt the way I feel about you
I don't know why but I do

I don't know why I feel the way do
I really can't explain it
But I know it's true, yeah
They say that I can have it all,

But all I want it you
I don't know why but I do,
I don't know why but I do,
I don't know why but I do
